

## Winemakers' Selection 2015

A dry red wine produced as a blend from carefully selected grapes in our vineyards from the distinguished varieties: Vranec (40%), Merlot (40%) and Carmenere (20%). The wine is characterized with a ruby red color. The aroma is complex; the dominant fruity-spicy character reveals ripe morello cherries complemented with discrete vanilla undertones. The taste is full-bodied, with a velvety structure, soft tannins and with a long aftertaste.

Combine this wine with selected strong cheeses, Italian sausages and various meat specialties. Recommended serving temperature: 14-16°C.

**Alcohol:** 13.5% by Vol.

**Bottled:** May 2016

**Awards:** AWC Vienna 2016, Austria – **Gold Medal**
