

Chardonnay Single Vineyard 2015

This estate bottled wine, produced 100% from the Chardonnay variety, is defined by a crystal clearness and a remarkable yellow-green color. The discreet aromas of pineapple and citrus fruits that are complemented with flint undertones, make this wine especially attractive and modern. The taste is full-bodied, sophisticated and complex; the dominant citrus freshness and the mineral undertones provide the long and enjoyable aftertaste.

This wine is perfectly combined with pumpkin ravioli, pasta, white meat and assorted cheese.

Recommended serving temperature: 8-12°C.

Alcohol: 13.5% by Vol.

Bottled: April 2016
