

Merlot Single Vineyard Reserva 2011

A dry red wine produced 100% from delicately selected Merlot grapes. The wine has a remarkable deep ruby red color. The nose is complex, with a fruity character revealing dark cherries, plum preserve, complemented with spicy hints of vanilla, smoke and roasted coffee. The abundant aroma comes as a result of the 33 months of ageing in new American and French oak barriques. This wine has a rich and full-bodied taste, with soft velvety tannins that provide the long and persistent aftertaste of fruit and chocolate. Bottle ageing for an extended period, under appropriate ambient conditions, will add even more complexity and splendor to this wine.

Pairing: A perfect match with meat specialties, especially game in piquant sauces.

Recommended serving temperature 15-18°C.

Decanting prior serving recommended.

Alcohol: 15.5% by Vol.

Bottled: February 2014
