

## Winemakers' Selection 2014

A dry red wine produced as a blend from carefully selected grapes in our vineyards of the distinguished varieties: Vranec (40%), Merlot (40%) and Carmenere (20%). The wine has a ruby red color. The aroma is complex; the dominant fruity-spicy character reveals ripe morello cherries complemented with discrete vanilla undertones. The taste is full-bodied, with a velvety structure, soft tannins and with a long aftertaste.

Combine this wine with selected strong cheeses, Italian sausages and various meat specialties.

Recommended serving temperature: 14-16°C.

Alcohol 14.5 % by VOL.

Bottled: June 2015
