

Temjanika 2009

Produced 100% from carefully selected Temjanika grapes, this wine has a bright green-yellow colour. The nose is complex and intensive, elegant and typical for this variety. The dominant floral and fruity notes of rose and basil are combined with dried apricots and sweet citrus. The taste is pure, full of harmonic acidity, with a long and pleasant aftertaste.

Drink now or after a short time of cellaring. Serve chilled at 08-10°C, as an aperitif or with assorted cheeses, fruit salads, or fruit pies.

Bottled: April, 2010
