

Carmenere 2020

This wine is characterized with captivating pepper and paprika notes, cherry flavors and a vivid southern charm. This Carménère is a full-bodied wine, distinct by its great spiciness. Its color is dark red, following its name, carmine, as the crimson color the leaves take on just before they fall in autumn. Taste reminiscent of juicy baked peppers, dark chocolate and tobacco, complemented with soft tannins.

This wine is perfectly paired with herb-crusted rack of lamb, grilled Mediterranean vegetables and music pairing- Bossa Nova Jazz.

Recommended serving temperature: 15-18°C.

Alcohol: 14.5 % by Vol.

Bottled: September 2021
