

PINOT NOIR 2020

A dry red wine made from delicately selected Pinot Noir grapes. This wine is defined by a delicate ruby red color. The nose is remarkable, with fruity aromas of raspberries, cranberries and morello cherries. The taste is medium-bodied and elegant, with combined aromas of red berries and liquorice. The 22-month ageing process in French and American oak barrels provides the wine with more structure and spicy hints of clove and smoke, finishing with a long aftertaste. The harmonic acids and the soft velvety tannins provide this wine with a several-year bottle ageing capacity.

This wine is perfectly paired with smoked salmon specialties, foie gras or with a selection of creamy cheeses.

Recommended serving temperature: 13-15°

C. Alcohol: 14% by Vol.

Bottled: January 2023
