

## Ten Barrels Syrah 2008

A premium dry red wine produced from 100% Syrah grapes from the Chateau Kamnik's own vineyards. The wine has a dark ruby red color with a carmine hue. Impressive and complex on the nose, it gives away vanilla, caramel, clove and smoke, which comes from the 14 months of ageing in the new American oak barrels of 225l; all of this is delicately combined with aromas of cooked berries and baked marzipan. The taste is full, discretely spiced and bitter, well structured, with soft velvety tannins and with a nice aftertaste.

Best served at 13-17°C. It is perfectly combined with various types of meat dishes, especially with game in spicy sauces.
