

Ten Barrels Syrah 2009

A premium dry red wine, produced 100% from Syrah grapes from the Chateau Kamnik's vineyards. The wine has a dark garnet color with a violet hue. The nose is intense, revealing an intriguing complex of blackcurrants, prunes, chocolate, liquorice and violet, resulting from the ageing in new oak barrels. The taste is elegant, full and well-structured. It has a nice length, well integrated tannins and a long and pleasant aftertaste. This wine is best served at 13-17°C. It is perfectly combined with various types of meat, especially with game in spicy sauces.
