

Cuvée de Prestige 2009

A premium dry red wine produced with great care from carefully selected grapes of Merlot (76%) and Cabernet Franc (24%). The wine has an intensive ruby red color, with ripe red fruit aromas with discreet vegetative notes. Full-bodied, with a rich extract, soft velvety tannins and harmonic freshness, this gorgeous wine draws attention to its structure. Aged for 18 months in small 225L (new and partially used) oak barrels that bring complexity to this cuvée. Its great structure and lively acidity will ensure its further complexity through careful cellaring. While maturing, this wine may deposit slight sediment.

Enjoy it with red meat or game specialties, strong cheeses and with a variety of flavorful and spicy meals.

Served best at 14-16°C. Decanting prior to serving is highly recommended.

Bottled: July, 2011

AWARDS:

- Selection Mondiales des Vins Canada 2011, Silver
- Premium Selection Wine Challenge 2011, Silver
- Vino Slovenija 2011, Gold
