

Cabernet Sauvignon 2005 Barrique

Produced from carefully selected Cabernet Sauvignon grapes. With a deep dark red color, this restrained and elegant wine has a ripe fruit character. Aged for 16 months in 225l French, American, Hungarian and Slavonian oak barrels, 30% new and 70% used once. Spice, black forest fruits and rich cassis, tobacco and roasted cedar wood-scented nose. A long and elegant taste of sweet, ripe and vibrant black and red currants and dry plums fruity flavors. Its excellent structure and lively acidity ensure the development of the further complexity through careful cellaring. During the maturation process this wine may have slight sediment.

Enjoy it with red meat specialties, game, and strong cheeses and with a variety of flavorful and spicy cuisines.

Best served at 16-18°C. Decanting prior to serving is recommended.

Bottled: April, 2007
