

Terroir Vranec Grand Reserva 2008

A dry red wine produced of 100% carefully selected and slightly dehydrated Vranec grapes from the Skopje wine district. It has a density typical for the Vranec variety, and nice viscosity in the glass. The wine is bright, with a dark ruby red color. The nose is intensive, fruity and spicy. It reminds of blackberry, black currant, dried mint and wild flowers, with some vanilla and clove tones. The taste is mature, exceptionally rich and full-bodied, with harmonious acidity and with a long-lasting aftertaste of morello cherry liquor chocolate candies. A careful cellaring of several years will ensure the development of its further complexity.

Alcohol: 15.1 % Vol.

Bottled: March, 2011

AWARDS:

- GAST 2010, Gold
- Vino Balkanika 2010 Gold
