

Merlot Single Vineyard Reserva 2005

This very special edition of Merlot has an intense ruby red color with a lively hue of cinnabar. The nose is intensive, ripe and complex, resembling small red fruits, mostly cherries, combined with chocolate and discreet vanilla, which is all a result of the 28-month ageing in new American and French oak barrels of 225l. This extraordinary wine is dynamic and vivid in the glass. The taste is full, harmonious and well balanced, with soft, velvety tannins and with a long aftertaste with fruity and caramel tones.

The recommended serving temperature is 15-18°C, with meat dishes, especially game in a variety of spicy sauces.

Bottled: April, 2008
