

Spark Brut Nature 2014, Blanc de Blancs

This sparkling wine is made 100% from Chardonnay grapes from the Kamnik winery own vineyards. It is marked with a rich complexity that is reflected in the extravagance of the delicate bubbles. This brut nature sparkling wine is made by means of the traditional method of 4-year bottle ageing, which provides the powerful and elegant aroma with fruity and spicy hints. The taste is full-bodied and creamy, perfectly balanced with fruity tones and mineral undertones, complemented with citrus freshness that enables enjoying the long aftertaste.

This sparkling wine has a several-year bottle ageing potential.

Pairing: as aperitif, with fresh seafood or fresh fruits.

Recommended serving temperature: 6-9 °C.

Alcohol: 12% Vol.

Disgorged: February 2019
