

Sauvignon Blanc 2009

A premium white wine made 100% from Sauvignon Blanc grapes from the Chateau Kamnik vineyards. The wine is crystal bright, with an excellent consistency and with a pale yellow color with clear green hues. The aroma is fresh, intensive, clear, and typical for the Sauvignon variety, with citrus and grapefruit notes combined with discrete vegetative tones. The taste is full-bodied, varietal with a balanced acidity and with a long and pleasant aftertaste.

It is recommended as an aperitif, chilled at 10-12°C, or with cold starters, pasta and assorted light cheese.
