

Chardonnay Single Vineyard 2009

A premium white wine made from 100 % of Chardonnay grapes from the Chateau Kammik vineyards. The wine is crystal bright, with a distinctive pale yellow-green color. The nose is young, fresh, estery, with discrete buttery and milky tones which add some more complexity and roundness. The taste is powerful, full with a noticeable sweetness due to the high extract; slightly alcoholic, with an expressive creamy structure.

Serve it chilled at 9-11°C, combined with white meat, pasta and assorted cheese.

Bottled: March, 2010
