

## Chardonnay Single Vineyard 2011

A premium white wine produced from 100% of Chardonnay grapes from the Chateau Kamnik vineyards. The wine is crystal clear, with a distinctive pale yellow-green color. The nose is fresh, ester-like, with discrete melon and pineapple tones which add more complexity and roundness to this wine. The taste is full, with a noticeable citric freshness and mineral background that ensures the long aftertaste of the wine.

Best served at 9-11°C, combined with white meat specialties, seafood, fish, pasta and assorted cheeses.

Alcohol: 14,1 % Vol.

Bottled: May, 2011
