

Chardonnay Single Vineyard 2013

Estate bottled wine, produced 100% from the Chardonnay variety. It is defined by crystal clearness and by a remarkable yellow-green color. The discrete aromas of pineapple and citrus fruits are complemented with the flint subtones, making this wine attractive and modern. The taste is sophisticated and complex, the dominant citrus freshness and the mineral subtones provide the long aftertaste.

Serve this wine chilled at 8-12°C. It is perfectly combined with ravioli with pumpkin, pasta with white meat and with assorted cheese.

Alcohol: 14,1 % Vol.

Bottled: February, 2014
